

# THE PIPER POST

DECEMBER 2022

From our family at The Piper Assisted Living and Memory Care to yours, we want to wish you Happy Holidays, however you choose to celebrate, and Happy New Year to all! This festive season allows us to spread joy and gratitude. We'd like to express our thanks and sincerest appreciation to our community staff members who are a key part of helping your loved ones continue to live with dignity.

The winter blues happen to most of us, including the elderly. For many older adults, depression can increase when isolated from family members and friends. Senior living communities can provide extra connection and caregiver support in winter and beyond. Contact Angie here at The Piper to learn more about us and how our services support overall wellness.

## December Birthdays
